

Class Name: Painting & Mixed Media
Fall & Spring 2018-19

Tutor: Amanda Jackson

E-mail: mandyjack1@gmail.com

Cell phone: 321-292-4614

Grade level: This course will be geared to high school for high school credit, however I will allow junior high if they are able to stay focused, motivated, and self disciplined. Each parent can use their judgment.

Description: Students experiment with the media and techniques taught in class to create a variety of two-dimensional (2-D) artworks. We will develop skills in drawing, painting, collage, and/or design. Through the critique process, students evaluate and respond to their own work and that of their peers. This course incorporates hands-on activities and consumption of art materials. This course is designed for high school art credit. I will allow 7th and 8th grade if they are able to stay focused, motivated, and self disciplined. A personal desire to take the course and learn art skills and techniques is necessary. This is not a craft class. There will be homework, and a final portfolio review. Bring several, at least 6, photos/ideas to use for your projects.

Prerequisites: None

Textbook: I will provide handouts, some supplies, and book suggestions. The book will be helpful but not mandatory.

Supplies required: Students can purchase their supplies at Hobby Lobby or Michael's. I have included photos to help you in the process of gathering your supplies. These are from Hobby Lobby. Students may require some additional supplies throughout the year, but this should be minimal. For example, if you run out of paint, you will need to buy more.

- **Monthly class cost:** \$8.00 per week
- **Materials/lab fee:** \$30.00 for the year
