Course Description: The Bible was written over a 1,600-year span in the hands of men from some 40 generations. It was written by more than 40 authors, from every walk of life. Including kings - peasants, philosophers, fishermen, poets, statesmen, scholars, and others. It was written on three continents Africa, Asia and Europe and yet it claims one single author - The Spirit of Creator God (Jehovah God of Israel). It is called "God Breathed" and "The Living Word" , It is recorded in three languages Hebrew, Aramaic and Greek. It contains 1,189 chapters in 66 books and yet there is but one unfolding story - "God's love and redemption for all mankind." This class will provide a study through the Hebrew portions of our Bibles. During this time, we will provide the student with the tools to not only understand God's Word, but also gain wisdom in the different types of literature given to us through God's inerrant Word.
