

Class Name: Psychology 1 and 2
Block 5 (1:30-2:25)
Fall & Spring 2020-21

Tutor: Lara Mashburn
Email: LaraLMashburn@gmail.com
Cell Phone: 321-693-7028
PayPal Address: LaraLMashburn@gmail.com

Grade Level: Mature 9th-12th

Course Description: Psychology 1 and 2 will cover the history of psychology-the study of human behavior, as well as current theories on motivation, emotion, development, memory, learning, perception, language and intelligence, social psychology and more from a Christian perspective. Lessons will be engaging, highly interactive and designed to introduce students to concepts in ways that will make learning fun! Students will work collaboratively to create psychological experiments and demonstrations, participate in "Brain Game" activities, learn peer-counseling techniques, and show understanding with group Jeopardy, Who Wants to be a Millionaire, and more.
