Course Description: Drama class empowers our students with confidence, creative thinking, teamwork, and performance skills. Throughout the program, we will have weekly workshops to help students discover new talents and take their talents to a next level. Through music, dance, and performance we encourage education, growth, personal development, and interest in theatre through the support of the performing arts – all while having fun! This class is a great place to exercise creativity and be a part of a really fun team. Students will also participate in set, costume, and prop construction.

- Winter and Spring Productions.
- Parent volunteers will be needed and appreciated.
