Grade Level: 6th-12th

Class Description

Drama class empowers our students with confidence, creative thinking, teamwork, and performance skills. Throughout the program, we will have weekly workshops to help students discover new talents and take their talents to a next level. Through music, dance, and performance we encourage education, growth, personal development, and interest in theatre through the support of the performing arts – all while having fun!

*This class is a great place to exercise creativity
and be a part of a really fun team.*

Students will also participate in set, costume, and prop construction. Winter and Spring Productions will take place the Friday or Saturday before our last week of school. (Winter play the weekend before Christmas break, Spring play the weekend before the Summer break.)

Parent volunteers will be needed and appreciated.

Prerequisites: None

Textbook: None

Course Code: FLDOE 0400310, 04003120, 04003130, 04003140
