Class Description: This Class is a FUN way to learn all the countries (and capitals) of the world. We will work one day a week in class and expect to do about 1/2 hour - 1 hour each day for homework. This curriculum contains pictographies and short 'silly' videos (visual "velcro") for learning the countries and capitals of the world.

1 Year Access to Online video lessons: \$45.00

*When you register for this class, I will get your email addresses and contact you when we all can log in to the curriculum (Usually the first week of class)

"My 4 boys LOVE Visualize World Geography! We learn one new lesson each week and they always **ask to do more** and want to watch the clips they already know!
When I tell them they have to wait until next Monday to see the next lesson, they actually **count down the days.**"
