**Grade Level:** 5th-8th

**Course Description:** Florida has an incredibly rich history teeming with fun facts and unique stories that are sure to capture your child's attention. It is the goal of this class to make Florida history come alive through a series of engaging high-interest historical fiction novels, informative handouts, video clips, web-linked reading assignments, hands-on activities, numerous suggested field trips, research projects, and games. Students will be exposed to the historical, geographic, political, economic, and sociological events, which influenced the progression of Florida's diverse heritage through Spanish, French, British and American occupations, Florida's Native American population, United States annexation and territorial experience and statehood. Our year will conclude with a special look at our local and state government, as well as the abundant history of our state capital.
