Block: 3 (11:00-11:55)
Fall & Spring Semester**

Tutor: Tina Knight

Email: tlknight73@gmail.com

Cell Phone: 407-668-6532

Grade Level: 8th – 12th grade

Class Description: Students explore the fundamental concepts, terminology, techniques, and applications of digital imaging to create original work. Students produce digital still images through the single or combined use of computers, digital cameras, scanners, photo editing software, drawing and painting software, graphic tablets, printers, new media, and emerging technologies. Through the critique process, students evaluate and respond to their own work and that of their peers to measure artistic growth. This course incorporates hands-on activities, the use of technology, and consumption of art materials.

Supplies Required: Notebook for taking notes during class
Laptop or Chromebook or device able to have access to the yearbook site.
Creativity! This class will be responsible for the SCCC monthly Newsletter.
