Class Description: It will be a fun filled year as we explore and learn more about God's amazing Swimming Creatures. Students will be assigned reading and notebook journal homework. On Thursdays, we will do experiments and/or hands on activities to reinforce the information assigned for homework. Here is a little information from Apologia: "God filled Earth's waters with amazing marine creatures of all sizes. In this course, your student will explore the unique characteristics of swimming creatures of all sizes, and better understand the environments they live in."
