

Class Name: Anatomy & Physiology

Block 3 (11:00-11:55)

Fall & Spring 2024-25

Tutor: Layla Steensma

Grade Level: 9th-12th

Class Description: This is an AP level Anatomy or Advanced Biology class. Through the 16 modules we will cover the organizational overview of the human body and homeostasis, as well as a general review of concepts such as cell structure, protein synthesis, and cellular mitosis. Subsequent modules study histology (study of tissues), integumentary and skeletal systems, skeletal system histology and movement, muscular system histology and physiology, skeletal muscle system, nervous system, central nervous system, peripheral nervous system, endocrine system, cardiovascular system, lymphatic system, digestive system, respiratory system, urinary system and the reproductive system. Microscope labs, histology, and dissections are done together, and specimens are included in the materials fee.

Prerequisites: High School Biology

Textbook/Author/Publisher:

Exploring Creation with Advanced Biology 2nd edition

Author: Dr. Jay L. Wile Publisher: Apologia Educational Ministries ISBN: 9781935495727

Biology Solutions Manual 3rd Edition

FLDOE Course Code: 2000360

Materials/Lab Fee: \$100.00 per year

Maximum # of students: 16

Minimum # of students: 5
