

Class Name: General Science
Block 1 (9:00-9:55)
Fall & Spring 2024-25

Tutor: Trish Akouka

Grade levels: 7th-9th

Class Description: Students will be assigned reading and notebook journal homework for the week (Students can expect 3-5 hours of homework per week.). On Thursdays, we will have fun doing experiments and other activities that will reinforce the homework.

This course is designed to be a student's first systematic introduction to the sciences and provides a wide scope of topics. Some of the topics covered will be the history of science, the scientific method, designing experiments, simple machines, archaeology, geology, paleontology, biology and human anatomy and physiology.

Supplies required: Folder, paper, pen, pencils, colored pencils.
