

Tutor: Gina Zverev

Class Name: American History

Grade Levels: Grades 5-8

Class Description: This course will explore the chronological account of American history with a factual emphasis on the people and events that shaped the United States. By investigating our country's history from the time of native people's first encounters with European explorers through the Biden presidency students will develop critical thinking skills and a Biblical worldview regarding the significance of individuals and events in the nation's history. We will gain insights into America's heritage of faith and her patriotic pursuit of freedom as foundational values in the history of the United States of America.
