**Class Name:** New Testament Greek I

**Grade Levels:** Grades 7-12

**Class Description:** This one-year course is designed to introduce middle and high school students to reading the New Testament in its original language. NT Greek II will be offered in subsequent years so that high school students can fulfill their two year language requirement in preparation for college. Besides a better understanding of the Bible, learning the Greek of the New Testament can help students with English vocabulary as many English words are derived from the Greek language. Furthermore, it will solidify their understanding of English grammar as they study their second language.
