

Tutor: Jason Brown

Class Name: Guitar 1

Grade Levels: Grades 5-12

Class Description: This course walks through the basics of playing guitar, memorizing chords, and strumming patterns. The goal is to equip the students who have no prior knowledge of guitar. Over the course of 35 weeks students will work in class and with other students to develop a basic knowledge of playing through chords, playing along with songs and identifying ways to self-improve using the first steps covered in class.
