

Tutor: Jason Brown

Class Name: Overview of the Bible

Grade Levels: Grades 5-12

Class Description: "The Scriptures say that wisdom is like silver and gold and the way you get silver and gold is that you mine it. The way you do it is a lot of hard work. It's easy to study and not show yourself an approved workman, but the one who does it should be ashamed of himself (2 Timothy 2:15)." - Dr. Randall D. Smith

This class focuses on how to study each book of the Bible according to the type of literature. Students are equipped with the Principle Approach, which is exegetically looking at the Scriptures, memorizing Scripture in order to derive the appropriate timeless Truths given in God's Word. All content for this class is derived from GCBI.net and can be found on their website.
