Space Coast
Christian Co-op

Tutor: Tina Knight

Class Name: Yearbook

Grade Levels: Grades 8-12

Class Description: Your student will explore the fundamental concepts, terminology, techniques, and applications of digital imaging to create original work for our co-op yearbook. Students produce digital still images through the single or combined use of computers, digital cameras, scanners, photo editing software, etc. Through the critique process, students evaluate and respond to their own work and that of their peers to measure artistic growth. This course incorporates hands-on activities and the use of technology.
