

Tutor: Ashlee Finger

Class Name: American Sign Language Continued Study

Grade Levels: Grades 9-12

Class Description: This continued study of American Sign Language (ASL) is designed to deepen language fluency through meaningful connection, consistent practice, and engaging activities. Students will expand their vocabulary, refine grammar and sentence structure, and strengthen expressive and receptive skills through interactive conversations, storytelling, and real-world scenarios. Emphasis is placed on building confidence, improving clarity, and fostering cultural understanding within the Deaf community. Through collaborative games, partner work, and immersive practice, learners will connect language to everyday life while having fun in a supportive and encouraging environment. This course promotes not just signing ability, but true communication—where language comes alive through connection, creativity, and community.
